

Hill and Redman's Guide to Landlord and Tenant Law

 Butterworths

Written by the expert editorial team of **Hill & Redman** together with the assistance of numerous specialist contributors, **Hill & Redman's Guide to Landlord and Tenant Law** is a concise reference guide on the general law of landlord and tenant.

The book covers a variety of topics, ranging from the relationship of landlord and tenant, leases and rent, to the rights and liabilities of the parties. Also included are topics on rent review, value added tax, the effect of insolvency or receivership and stamp duty.

This informative and fully indexed volume offers:

- expert guidance for busy landlord and tenant practitioners
- the most up-to-date and comprehensive text currently available
- a concise and portable source of reference

Also recently published as Division A of the major looseleaf publication **Hill & Redman's Law of Landlord and Tenant**
