Celebrating 170 years with the Nation. Inspired by Greatness

NO COMPROMISE

THE Natural Resources and Environment Ministry has revealed a list of rules in the four chains of the bauxite mining industry and is demanding 100 per cent compliance. Otherwise, the moratorium will be extended. In an exclusive interview with the *New Straits Times*, its minister Datuk Seri Dr Wan Junaidi Tuanku Jaafar, spells out what these conditions are. He also reveals that to date, a whopping 1,200ha of Kuantan had been decimated by the indiscriminate mining...
